1. Executive Summary

Flood 2022 had submerged one third land of Pakistan. Country has been a frequent victim of natural disasters especially floods and land sliding. Current flood had hit 84 districts of the country and left thousands of people in miserable condition.

They had lost the lives of their dear ones, houses, livestock and crops. This will further lead to food insecurity, health and economic crises in the country. NCHD under the umbrella of Ministry of Federal Education and Professional Training and its partners (especially PHDF) no doubt has done a wonderful job in the rescue and relief activities during the flood.

NCHD staff performed beyond my expectations and mobilized other departments as well to cope the situation. As a quick response NCHD has provided food, shelter, clothes, medicines and organized free medical camps for the flood victims. NCHD remained at the front line in rescue operations as well.

Having said all this, there is a dire need to develop viable strategies and knowledge -based response to mitigate the risk of such natural disasters, with the impact to saves the lives and properties of millions being at risk.

Habibullah Khan
Director General (LAC)

2. Situation Analysis

The continuous and relentless rainfall in the monsoon has resulted into catastrophic & unprecedented floods across the country. The floods have greatly affected the health, infrastructure, food security and livelihood sectors. Therefore, people are struggling to cope with the ripple effects which include trauma, stress, limited hygiene materials and food insecurities. Coupled with lower-income levels due to disturbed livelihoods; people's well-being is at risk especially, with the prevalence of COVID-19 infection. Outbreak of contagious diseases which surfaced as a result of flood like, diarrhea, skin allergies, and chest infections have further added pain to the sufferings of flood affectees.

Synopsis at the destruction caused by flood in the country (NDMA)

- 84 districts are declared as 'calamity hit' the breakup of which is 32 in Balochistan, 23 in Sindh, 17 in Khyber Pakhtunkhwa, six in Punjab and three in Gilgit Baltistan.
- A total of 1,719 deaths are recorded ,while more than 12,867 reported injured, including at least 575 children killed and nearly 4,000 children injured
- Over 1.7 million houses in Sindh are damaged or absolutely destroyed – which count as 88 per cent of the total damage nationwide. More than 633,000 people are hence, sheltering in relief camps.
- Approximately 6,700 km of roads have been destroyed. Out of which 40% are in Sindh, 24% in Khyber Pakhtunkhwa and 22% in Balochistan.
- Education and learning process has been interrupted badly for an estimated 3.5 million children, including about 61 refugee schools.
- A figure of 800,000 refugees lives in calamity hit districts. Out of which; 210,000 in Peshawar district (KP), 170,000 in Quetta (Balochistan), 77,700 in Nowshera (KP) and 71,500 in Karachi (Sindh).
- Over 1.2 million hectares of agricultural land has reportedly been damaged in Sindh alone.
- The NDMA reports indicate that around 500,000 livestock are lost due to the floods in Balochistan, representing 66 per cent of the 1,040,735 livestock deaths reported nationwide.
- Multi-sector rapidly needing assessments are rolling out in Sindh, Khyber Pakhtunkhwa, and Punjab.

3. A Synopsis from Chairman NCHD on the Situation;

The situation in Pakistan is terrible due to floods. On the other hand, role of the government departments, humanitarian organizations, donors, and communities is commendable. I feel immense pleasure to share that NCHD under Federal Ministry of Education & Professional Trainings has done a tremendous job for the flood victims.

NCHD has provided the Ration Bags to 14,000 families, cooked food to 16,930 individuals, 17,765 water bottles and; 532 tents, 978 blankets & 16,347 utensils for daily use across the flood hit areas. Children were absolutely not ignored in the situation as well; therefore 2,452 milk packs were handed over to the mothers with kids.

In order to treat the water borne diseases, NCHD has organized one hundred & eleven (111) free medical camps as per the requirement and hence 39,674 patients have been treated so far. In addition, free medicines of a sum amounting to Rs. 7.7 million were also provided to the flood victim patients.

Through mobilization NCHD collected Rs. 12.7 Million/- in kinds of food and non-food items. I appreciate the efforts of all my staff and other stakeholders who have contributed in this grave situation.

4. Meeting in MoFE&PT on Rescue & Relief Activities

The Meeting was convened in the Committee Room of “C” Block of Pak Secretariat in the Ministry of Federal Education & Professional Training (M/o FE&PT); to discuss the rescue and relief activities being carried out by the attached departments in flood affected areas. The meeting was chaired by the Honorable Federal Minister Mr. Rana Tanver Hussain, wherein, he appreciated the efforts of NCHD across the country in providing immediate relief to the flood effecttees in the most hit districts. The chair assigned the departments to raise funds for the flood affected communities in Pakistan.

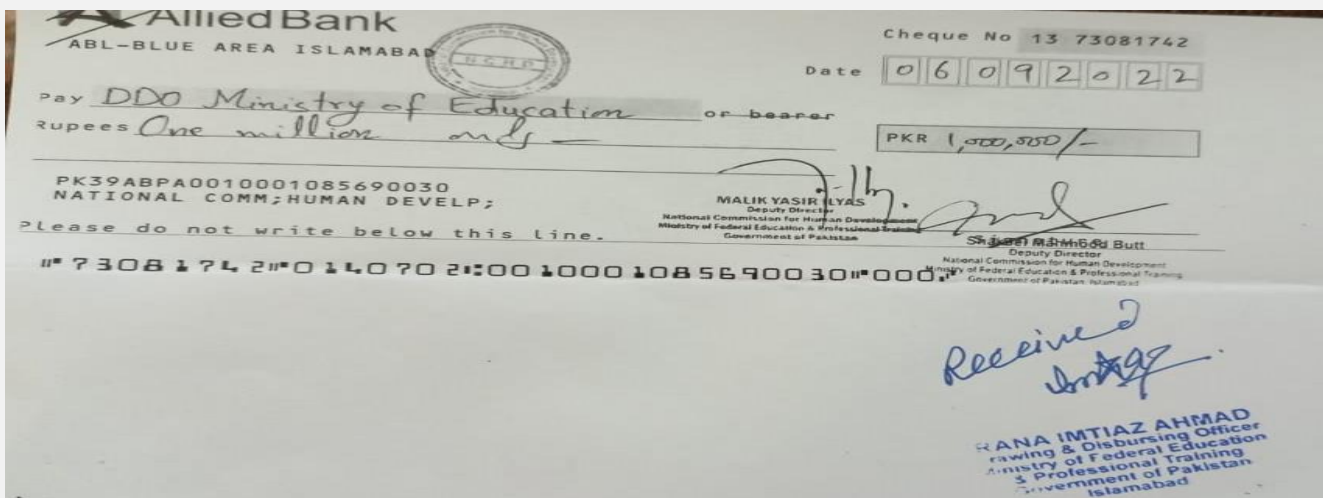

A second meeting of the series was held at the Minsitry which was chaired by the Joint Secretary (Admin). All the focal persons from concerned departments working under M/o FE&PT participated in the meeting.

5. Prime Minister Flood Relief Fund:

During the meeting the chair was informed that NCHD pledged an amount of Rs. 1 Million raised through the donations from the communities, NCHD Volunteers, and local philanthropists, in addition to the relief activities undertaken by the NCHD in the most devastated districts/ areas. The chair and Deputy Secretary Admin MoFEPT commended the relief efforts of NCHD during the recent flash floods and asked to carry on providing solace to the flood victims.

On directives of Honorable Minister for Federal Education a cheque of amounting to Rs. 1 Million has been submitted to M/o FEPT

6. CEO PHDF Mr. Zaffar Haider Jappa Visit to Punjab

Pakistan Human Development Fund (PHDF) was the first to support NCHD to work on emergency response to the flood victims. Chief Executive Officer (CEO PHDF) Mr. Zaffar Haider Jappa, remained in a close coordination with NCHD staff at Head Office as well as in the field. He harmonized with other departments for provision of relief to the flood affectees across the country. He facilitated in organizing free medical camps at Nowshera-KPK. Mr. Zaffar Haider Jappa paid a visit to Rajanpur & Dera Ghazi Khan districts on 22nd & 23rd of September 2022, where he shared his vital thoughts over establishing tent villages in the respective districts, in consultation with district administration, NCHD staff and communities.

7. NCHD Emergency Response for Relief and Rescue to Flood Affectees through the PHDF approved Project worth Rs. 11 Million

National Commission for Human Development (NCHD) was established in 2002 under presidential ordinance with the mandate to develop the capacity and capabilities of people especially living in the remote areas. The national level organization having its footing in 138 districts of the country had contributed outstandingly in all calamities whether it was Earthquake of 2005, Flood disaster 2010 or Education situation. Under the umbrella of Ministry of Federal Education and Professional training, the organization is further strengthened to achieve its objective.

NCHD took an initiative to help the people of Pakistan affected from devastating floods through the provision of emergency relief and early recovery assistance. (NCHD) through its partner i.e. **Pakistan Human Development Fund (PHDF)** reached out to the people where no one had yet reached till then by immediately funding of worth Rs. 11 million in 52 Districts initially hit by the devastating floods and then focused on 20 main flood affected districts including 15 districts of Sindh (interior Sindh), 18 districts of Balochistan (Baloch Belt and upper Pashtun belt), 06 districts of Punjab (South), 10 districts of Khyber Pakhtunkhwa (central and south KPK), 2 districts of GB (Ghizer & Astore) and 1 district of Azad Jammu & Kashmir (Neelum); The prime objective of the NCHD flood emergency response activity was to save lives and minimize the risk.

NCHD VCD team with the help of district Staff and with its vast network of volunteers (more than 40,000 registered volunteers), worked round the clock in provision of rescue and relief services to the flood affectees, via provision of;

- Non Food Items (Cooking Utensils, Candles /Match sticks box /Mortein Coils, Flash Light etc).
- Food Items (Ration Bags) donated by different organizations and philanthropists in this critical condition with full dedication and spirit.
- Medical Camps: (Doctors, Arrangement of Medicines, Transportation to the Medical camps).

8. The Following is the Break-up of the afore-said 11 million PKR under Provision of the Tents, Non-food Items and Food Items:

Sr #	Support/ Items Provided	Quantity	Total Cost
1	Food Items (Flour, cooking oil, Rice, Tea, Sugar, Pulses, Milk, Drinking Water, Chillies etc.)	12,134	3,253,300
2	Non-Food Items (Kitchen utensils, Washing powder, Candles, Matchboxes, Plastic buckets, Mortein Coils, Flash Lights)	992	746,700
3	Medicines (Antibiotics, Quinolones, Anti Malarial, Anti Diarrheal, Anti allergic, Analgesic, Bronchodilators,)		800,000
4	Transportation Charges		200,000
	Total		5,000,000

9. The total expenses incurred as per the above approved budget is given as under which has already been submitted to PHDF.

Sr #	Prov/ State	Flood Affected Districts	Funds Received	Food/Non Food Items Bill	Medicine Bills (amount)	Transportation Bill	Total Expenses	Balance
1	Balochistan	Awaran,	250,000	200,000	40,000	10,000	250,000	-
2		Jhal Magsi	250,000	200,000	40,000		240,000	10,000
3		Nushki,	250,000	191,000	40,000	10,000	241,000	9,000
4		Lasbella.	250,000		240,000	10,000	250,000	-
5		Musa Khel,	250,000	200,000	40,000	10,000	250,000	-
6		Qilla Saifullah,	250,000	201,100	40,071	9,981	251,152	(1,152)
7		Qilla Abdullah,	250,000	198,172	40,000	10,000	248,172	1,828
8		Jafferabad,	250,000	200,000	40,000	10,000	250,000	-
9		Barkan,	250,000	191,000	40,000	10,000	241,000	9,000
10		Kohlu	250,000	191,000	40,000	10,000	241,000	9,000
11		Sibi	250,000	195,000	40,972	10,000	245,972	4,028
12		Pishin	250,000	200,000	40,000	10,000	250,000	-
1	Punjab	Dera Ghazi Khan	250,000	324,000	60,020		384,020	(134,020)
2		Muzaffargarh	250,000	83,000	20,097		103,097	146,903
3		Rajanpur	250,000	322,000	60,000	10,000	392,000	(142,000)
4		Jhang	250,000	83,000	18,897	6,100	107,997	142,003
1	Khyber Pakhtunkhwa	Tank.	250,000	197,000	39,998	10,000	246,998	3,002
1	Sindh	Thatta	250,000	200,000	19,145	10,000	229,145	20,855
2		Jamshoro	250,000	199,600	40,020	10,000	249,620	380
3		Karachi (South, Sarjani Town & Malir),	250,000	199,600	6,850	10,000	216,450	33,550
			5,000,000	3,775,472	946,070	166,081	4,887,623	112,377

10. NCHD-PHDF PROJECT (EMERGENCY RESPONSE FLOOD 2022 IN PAKISTAN)

National Commission for Human Development (NCHD) and Pakistan Human Development Fund (PHDF) viewing the magnitude of disaster has agreed upon provision of focused relief tasks in the 15 districts across Pakistan. The list of the districts is as under;

S.No	Name of Province	No of Families	Selected Districts
1.	Sindh	300	1. Kamber 2. Khairpur 3. Dadu 4. Sanghar 5. Umerkot
2.	Balochistan	300	1. Jaffarabad 2. Jhal Magsi 3. Bolan 4. Lasbela
3.	KP	150	1. D I Khan 2. Tank
4.	Punjab	200	1. D G Khan 2. Rajanpur
5.	AJK	25	1. Neelum
6.	Gilgit Baltistan	25	1. Ghizer

Hence a proposal based on the situational analysis in all the above 15 districts was submitted by NCHD worth Rs. 170 Million which was approved by the Board of PHDF.

The subject proposal comprises two phases;

11. Phase-1; Emergency Response & Relief Activities:

- The Phase-1 of the project (Emergency Response) has been approved with a cost of 62 million for establishing **Tent Villages** for 1000 families.
- Major Activities of the project are:

S #	Activities	Beneficiaries
1	Provision of Tents	1000 Families
2	Provision of Food Items for 30 days with interval of 10 days each (20 kg flour, 5 kg Ghee, 2 Kg Sugar, Green Tea, 2 Kg Pulses, 125 Gram Black Tea, 2 Kg Daal, 1 Liter Oil, Salt Soda, Matchboxes, 5 Kg Rice, Spices, Soap, Beans)	1000 Families
3	Live Saving Medicines for 30 days	1000 Families
4	Provision of 100 Washrooms (1 per 10 Tents local construction from bricks and GI Sheet)	1000 Families
5	Safe Drinking Water for 30 days	1000 Families
6	Noon Food Items (NFI) Kits (Tent Accessories, Utensils, Water Coolers)	1000 Families

12. **Progress on the Project:**

- All 1000 tents have been transported and are in establishing phase
- Establishment of tent villages completed in 13 districts.
- Establishment of Tent villages in KP & AJK is in process
- Construction of washrooms is in progress.
- Procurement of food and Non- food items is in progress

Establishment of Tent Villages at Jafferabad Balochistan

DO Balochistan meeting with the flood affected community

13. **Expenditure Break up of phase I:**

Sr #	Support/ Items Provided	No. of Districts	Unit Cost(Rs)	Total Cost (Million)
1	Provision of Tents	15	20,748	20.74
2	Provision of Food Items for 30 days	15	20,000	20.00
3	Live Saving Medicines for 30 days	15	5000	5.00
4	Provision of 100 Washrooms	15	50000	5.00
5	Non Food Items	15	13000	13.00
6	Logistics Support & Monitoring	15	333,333	5.00
	Total			68.74

- **For Phase I Rs. 62 Million received and transferred to respective districts. Due to price hikes the amount allocated for tents increased by Rs. 8.7 Million**

14. **Phase-II; Relief & Rehabilitation:**

Under this phase of the project the following has been planned;

Sr. No	Activity	Targeted Districts	Targeted Families	Beneficiaries	Unit Provided	Unit Price	Total Amount PKR
1	Medical Camps	10	1000	60,000	20	100,000	2,000,000
2	Transitional Schools	10	1000	60,000	100	50,000	5,000,000
3	Livelihood	10	1000	60,000	1,000	100,000	100,000,000
4	Logistics and Monitoring Support	10			10	100,000	1,000,000
Grand Total							108,000,000

1. Establishment of 100 Transitional Schools (TS) on need basis
2. Free Medical Camps and TS's catchment areas.
3. Livelihood that the effectees continue life in decent way.
4. Amount Required Rs. 108 Million for phase II

NCHD and PHDF are in close coordination with INGOs and NGOs for further support to flood effectees. Projects from Asia Foundation, Cambridge University, ICRC, Water Aid are in pipelines.

A Province wise Synopsis

National Commission for Human Development (NCHD) Flood Relief and Activities 2022 in collaboration with PHDF, other partner organizations and philanthropists

15. **Distribution of Food Items and Non-food Items (NFIs) in Sindh Province**

According to the details shared by NCHD Sindh: 12,589 ration bags, 7,820 water bottles to families were distributed. Whereas, cooked food was also provided to 9,145 individuals on urgent basis. Despite, Non-food items including 505 blankets 230 tents, utensils, torches, clothes and shoes of worth Rs. 3,275,320/- were handed over to the flood affected as well.

Ration Bags distribution Kashmore; 30th Aug

Distribution of Ration Bags, Jamshoro (1st September)

Cooked food distributed among flood victims, Hyderabad (2nd September)

NCHD Sindh established different collection points, relief camps, visited a number of shopping centers and philanthropists to contribute in the relief activities. Hence, Sindh team successfully collected an amount of Rs. 917,000/- in cash. NCHD staff also volunteered their services to IDPs in different tent cities arranged by other organizations for rescue and relief activities.

15.1 Free Medical Camps

An outbreak of contagious diseases has surfaced in flood-hit areas; most of the cases are being reported from the flood-ravaged areas of Sindh including skin allergies, chest infection and diarrhea. On 12th September, 10,802 cases of the diarrhea, 11,190 cases of chest infection, and 16,107 cases of skin infection have been reported from Sindh. NCHD arranged 56 free medical camps in 15 districts of Sindh, 18, 696 patients have been examined and provided free medicine. Medicines mobilized by NCHD team are worth of Rs. 1,762,700/- A free vaccination camp for livestock was also organized in Tando Muhammad Khan.

Free Medical Camp at Sanghar; 3rd Sep, 2022.

Free Medical Camp treating 215 patients treated at Goth Karachi, 170 patients.

Free medical camp at IDPs camp GGS sachal at village Hayat Khashely, Badin.

15.2 Tent City Kashmor

NCHD Kashmore in collaboration with district government arranged Tent City for flood affected families at Tangwani. On 8th September Deputy Commissioner Mr. Munwar Mithiani and session Judge Mr. Munwar Ali Peerzado visited and appreciated the efforts of NCHD. Deputy Commissioner also handed over another Relief Camp to NCHD team at Kandhkot

Honorable Judge Visit to NCHD Camp at Kashmore

15.3 Temporary Learning Center Sukkar

NCHD with support of UNICEF and education department established Temporary Learning Center (TLC) in Labor Colony Sukkur. Mr. Abdullah Fadil (Country Representative UNICEF Pakistan) visited TLC on 15th September. Mr. Adullah Fadil interacted with children in TLC and assessed them regarding learning environment in TLC. Mr. Abdullah Fadil was satisfied with the efforts made by NCHD and appreciated the work of NCHD in the field of education.

16 Distribution of Food Items and Non-food Items (NFIs) in Balochistan Province

Under Emergency Response project an amount of Rs. 4,500,000 were allocated for 18 districts of Balochistan by the NCHD/PHDF. Ration bags were distributed among 1,040 families and cooked food was provided to 5,535 individuals in flood hit areas of Baluchistan. Drinking water was contaminated due to flood and it became a major reason for diseases like diarrhea and gastro NCHD handed over 7,910 bottles of mineral water and 40 tankers in Baluchistan. Among the non-food Items 302 tents, 1800 utensils (sets) and 177 blankets were disseminated to the flood affectees.

Ration Bags were distributed in Kohlu (8th September)

NFIs and FIs were distributed in Qilla Saifullah (9th September)

Distribution of food items & water bottles in Pishin (10th September)

16.1 Free Medical Camps

In Balochistan more cases of malaria, diarrhea and lung infections are reported in the flood stricken areas rather than the rest of the country. Likewise, Sindh 38 free medical camps were arranged in Baluchistan as well, 12,357 patients were provided medical facilities. NCHD mobilized around 5.9 million (5,951,200) for medicine items amongst the flood victims.

Free medical camp was organized in Barkhan (5th September)

Free medical camp, Killi Mengal; 361 patients treated (6th September)

Free medical organized in Awaran (7th September)

16.2 Coordination with Line Departments:

NCHD believes in strong coordination with line departments, INGOs, NGOs and stakeholders as well. The provincial and District teams held coordination meeting with Administration department, Health Department, local NGOs, donors, philanthropist in relief and rescue activities in order to minimize the risk of overlapping of resources and maximize the scope of comfort to the flood victims.

Balochistan Managed to have a team of doctors from Lahore for treating patients in flood areas of Balochistan. NCHD team volunteered their services to BISP in the process of identification, verification and distribution of cash among flood victims in Quetta. DG BISP appreciated the role of NCHD.

Chairman BRSP Mr. Anwar Saleem Kasi in a meeting with DOP Baluchistan Mr. Sikander Jilani for organizing flood relief activities:

17 Distribution of Food Items and Non-food Items (NFIs) in KP Province

NCHD targeted 10 districts, the most affected areas of KPK out of 17 districts as declared by NDMA. NCHD distributed Ration bags to 800 families and 2,250 individuals were provided with cooked food. 925 water bottles and 10 tankers were handed over for the purpose of safe drinking water among the flood affectees in flood stricken areas of KPK. 80 blankets, 925 water containers /coolers and 11,271 other relevant items were also distributed as per the requirement of people.

Flood relief activities in Tank and DI Khan

Honorable Chairman NCHD, visited Tank & D I Khan district and distributed Ration Bags among the flood victims. He stated on the occasion, *“NCHD is always there to help those who some how have been neglected and left behind in the walks of life. The flash floods have really created havoc and have devastatedly affected the lives of the already marginalized communities. However, NCHD has come to rescue and improve the plight of the fellow countrymen”*.

NCHD Distributed Food Items among Flood affected people in Lower Dir (11th September.

Ration Bags and Cloths Distribution in Nowshera (12th September)

RationBags and Water Bottles Distribution in Village Haji Mora, D. I. Khan (13th September)

17.1 Free Medical Camps:

The effected population in KPK is exposed to high levels of food insecurity, water borne diseases and risks of COVID-19 infections as a majority are accommodated in evacuation shelters that are crowded with limited hygiene materials to use. KPK teams are focusing more on medical facilities and have mobilized medicines worth of Rs. 4.2 million from different philanthropists and pharmaceutical companies for the purpose of relief. NCHD team organized 21 medical camps in different districts and 8,621 patients were treated

300 Patients examined in free Medical camp at Swat; 14 Sep

Medical Camp organized by NCHD in Abbotabad, 15th September

Free medical camp treating 390 at village Gara Mithu, Tank 16 Sep

17.2 Humanitarian Efforts by KPK Team

Several districts in KPK were not hit by the flood, but their contribution in rescue and relief for their brothers were commendable. **Mardan** district mobilized an amount of Rs. 302,575/-, handed over clothes, shoes, school bags , mineral water bottles and food items for flood affectees in KPK. **Peshawar** team mobilized Ferozsons, Muller& Philips and Medics Labs for medicine worth Rs. 1.5 million. Peshawar team

mobilized Hayat Abad Medical Complex Pesh (HMC) for a free medical camp at Swat district, 6 medical specialists accompanied NCHD and HMC arranged medicine worth 1 million, 3000 patients were treated.

NCHD **Buner** team deposited Rs 250,000/- in NCHD PO bank account for the flood victims in KP. NCHD **Abbottabad** team in collaboration with Organization"TOP" organized free medical camp for flood affected people of Lower Kohistan. Provincial office KPK provided medicine to Baluchistan as well to be utilized in free medical camps.

18 Distribution of Food Items and Non-food Items (NFIs) in Punjab Province

Flood had affected 6 districts of Punjab, Rajanpur lying on the west of Indus river bank, had been washed away completely by the raging floodwaters. Situation of Dera Ghazi Khan is also the same. Muzaffargarh, Bahawalpur, Layyah and Mianwali had been also affected partially. NCHD focused on Rajanpur and DG Khan as thousands are sheltering in tents on the roads. NCHD was the first to approach the victims in Rajanpur for relief operation. NCHD provided Ration Bags to 735 families, cooked food to 623 individuals, 1,125 water bottles (including 8 tankers) for safe drinking water. Among the non-food items NCHD provided tents to 160 families, 75 blankets and 1075 other utensils.

NCHD Volunteers involved in rescue operations in Rajanpur, 1st September

Food items distributed in Muzaffargarh, 5th September

NCHD distributed Ration bags & cash in Rajanpur, 17th September

Apart from this NCHD provincial team and staff from other districts contributed in flood relief activities by organizing different relief camps, collection points and mobilizing philanthropists and line departments. Spirit School Johar Town Branch, Lahore provided ration bags for 120 families. Bahawalpur team handed over a truck of Food items and Non-food items to Rajanpur. NCHD Bhakkar team collected grocery items/clothes/medicine to be provided to flood affected families in Layyah.

Truck carrying food & non-food items and medicines departed from Bahawalpur to Rajanpur.

Distribution of Ration Bags in Dera Ghazi Khan by NCHD Muzaffargarh.

Collection of grocery for flood affected families, Bhakar.

19 Distribution of Food Items and Non-food Items (NFIs) in Azad Jammu & Kashmir

NCHD teams in AJK organized relief camps/ collection points all over AJK in order to support the flood affectees across the country.

Relief Camp by Bagh Team.

Collection point organized by Kahuta Team.

Relief Camp at Kotli by NCHD.

In view of the above apart from the projects in collaboration with PHDF, a brief summary of the activities carried out by NCHD provincial offices through its Human Development Support Units (HDSUs) across the country have put every effort to provide relief to the flood affected communities through fund raising from individual philanthropists, NGOs, INGOs and other relief organizations including I-CARE international in KP. The funds were raised both in cash and kind. The table below depicts the contribution of NCHD during the Flash Flood 2022.

SUPPORT PROVIDED DURING FLOOD 2022	<u>Quantity</u>
<u>Food Items</u>	
Ration Bags/Dry Food (in Packages)	14,801
Biscuits Packs (in Cartons)	900
Water Bottle (in Numbers)	13,240
Water Tank (in Numbers)	48
Milk Powder (in Boxes)	900
Cooked Food (individuals)	13,276
<u>Non- Food Items:</u>	
Tents (in Numbers)	528
Blanket (in Numbers)	702
Mats(Mosquito Coils)	1,150
Medicines (RS)	6,216,172
Water cooler (in Numbers)	3,513
Others (Clothes, Shoes etc)	12,111
<u>Medical Camps</u>	
Medical Camps arranged (in Numbers)	78
Patients treated (in Numbers)	25,493

NCHD with the financial support of Pakistan Human Development Fund (PHDF) is still contributing in lessening the pain of the sufferers and paying its constitutional role in improving the plight of the disadvantaged and vulnerable communities across Pakistan.

In the second Phase of the Project, “Emergency Response, Relief and Rehabilitation” NCHD-PHDF have planned to establish transitional schools for the students where schools have been completely washed out by the flash floods along with provision of livelihood and by organizing free medical camps to cure the water born diseases and trauma treatment.

NCHD-PHDF through this report would like to request the organizations, influentials, philanthropists, NGOs, INGOs, and other stake holders to join hands with NCHD and be the members of Humanitarian group to work for the uplift of the devastatedly flood hit marginalized and deprived communities across Pakistan. It is the time when our nation needs us the most, our collective efforts will pay due share in bringing hope to the people in this hardships and testing times.
