Subject: **INCENTIVIZING STUDENTS FOR PARTICIPATION IN EACH ONE TEACHES ONE (EOTO) INITIATIVE**

Dear,

I trust this letter finds you in good health and high spirits. I am writing to draw your attention to a vital initiative aimed at fostering literacy and community engagement among students across educational institutions in Pakistan.

2. With reference to the Prime Minister's directives concerning the 'Education Emergency' in our country and in compliance with Directive No. 7, which emphasizes the incentivization of community-based teaching, the Ministry of Federal Education & Professional Training is poised to launch the **Prime Minister's Roshan Pakistan - National Literacy Drive**. At the core of this endeavor lies the **Each One Teaches One (EOTO) Initiative**, designed to involve students from grades 9 to 12 as Literacy Teachers.

3. Under the EOTO Initiative, students will undertake the noble task of imparting basic literacy and numeracy skills to one illiterate individual each within their communities. This initiative will be rolled out biannually across all educational institutions within the Islamabad Capital Territory, encompassing both public and private sectors. Participation in the EOTO program is mandated for all students enrolled in educational institutions within ICT.

4. Recognizing the significance of this initiative and to further incentivize student participation, I hereby direct the Federal Board of Intermediate and Secondary Education (FBISE) to consider awarding 10 Marks to students as part of their New Scheme of Studies. To qualify for these marks, students must successfully facilitate the literacy of an illiterate individual through the EOTO program and fulfill all requisite Codal formalities. I urge prompt consultation with the National Curriculum Council (NCC) within a week's time, followed by the issuance of a notification to this effect.

5. Your support in implementing this incentive scheme will not only inspire students to actively engage in community service but also make a substantial contribution to our national literacy objectives.

(Mohyuddin Ahmad Wani)

Syed Junaid Akhlaq,
Chairman,
Federal Board of Intermediate
& Secondary Education,
Islamabad.
