Subject: **PRIME MINISTER'S ROSHAN PAKISTAN - NATIONAL LITERACY DRIVE - EACH ONE TEACHES ONE INITIATIVE**

In response to the 'Education Emergency' in the country and in line with Prime Minister's Directive No. 7, which emphasizes incentivizing community-based teaching with the involvement of every literate citizen, the Ministry of Federal Education & Professional Training is launching the Prime Minister's Roshan Pakistan - National Literacy Drive. At the heart of this initiative lies the Each One Teaches One (EOTO) Initiative, aimed at engaging students from grades 9 to Ph.D. level as Literacy Teachers.

2. The EOTO initiative will be overseen by the National Commission for Human Development (NCHD). Under this program, students (from 9th grade to Ph.D. level) in both public and private educational institutions will impart basic literacy and numeracy skills to one illiterate individual each within their communities. This initiative provides incentives for students, offering 10 additional marks respectively by the Federal Board of Intermediate & Secondary Education (FBISE), for graduates by Quaid-e-Azam University, and for post-graduates by the HEC to recognize student teachers engaged in the EOTO Initiative.

3. All public and private educational institutions, including schools, colleges, and universities located in Islamabad Capital Territory, are required to actively participate in the EOTO program. The main roles of educational institutions are outlined as follows:-

- i) Facilitate all EOTO program activities in collaboration with NCHD.
- ii) Provide teachers to be trained as Focal Persons/Master Trainers.
- iii) Train and guide students from 9th grade and above in the EOTO program.
- iv) Facilitate the conduct of the final assessment of the learners.
- v) Undertake any other tasks necessary for the successful implementation of the EOTO initiative.

4. The Federal Directorate of Education (FDE), Private Educational Institutions Regulatory Authority (PEIRA), Quaid-e-Azam University, and Higher Education Commission (HEC) are directed to implement the EOTO program by issuing necessary instructions/notifications to their respective educational institutions promptly.

  
(Mohyuddin Ahmad Wani)

**Distribution: -**
