Case Study

Re Opening of GBPS Thalo @ Imdad Ali Khoso District Jamshoro

During a survey conducted by NCHD team of district Jamshoro, GBPS Thalo @Village Imdad Ali Khoso was found closed. The population of village was about 60households. The survey Team collected the figures of non school going children of each household. Support of the community supported during the whole process of survey. As a result of the survey, it was found that the number of out of school children was 45. MC of the concerned area conducted BBCM, in order to bring these students back to school. In this meeting Mr. Himat Ali pesh imam of the Mosque and MC Ayaz channa Briefed to Community about the mission Of NCHD and the importance of education.

The MC invited the community to volunteer their services for this great cause. With their support the task became much easy and list of out of school children was prepared. They also briefed the community that these volunteer will support NCHD team during the verification survey. The community was invited to make all out efforts to enroll their children and to retain all the students till completion of the fifth class standard.

The community appreciated the efforts of MC NCHD and ensured their all support regarding enrollment of children. The community appreciated the mission of NCHD which is going to really work at gross root level. During the BBCM volunteers were identified and registered.

Then NCHD officials identified the local feeder teacher with the support of community and education department jamshoro appointed at the closed school GBPS Thalo @Imdad Ali Khoso. Thus with the support of community the school was re-opened in chhapra building on December 2009.

All the out of school children 5 to 7 years were enrolled at the school under the supervision of Primary Education officer Mr. Ghulam Qadir Memon Sahib and the Markaz coordinator NCHD Mr. Ayaz channa.

The school was re opened with the support of community, the teacher Mr. Haq Nawaz worked hard at school and the Markaz coordinator NCHD continually facilitated the teacher in all school activities and also trained to teacher such as: enrollment, dropout prevention, assessment of students, monthly goshwara, LLM record and arranged issue based volunteers meeting, influential persons meeting, corner meeting, and BBCM.

The school was visited by ADOE male Manjhand Mr. sarho khan Chhachhar. He was very impressed with the functioning of the school. He asked some questions from students and the students answered his questions quiet satisfactorily. The ADOE sahib was also appreciative of the efforts of NCHD staff with whose efforts the impossible task was achieved. The chairman AL-Mustafa organization Mr. Farman Ali shah also visited the school and appreciated the services of teacher. During his visit announced construction of 5-class rooms and one more teacher for the school. The number of students has been on the rise. Realizing the success of the school the education department also allocated funds for construction of two more class rooms.

This huge success is the result of continuous and tireless efforts MC Ayaz channa and support of community volunteers. It is now hoped that the student enrolled in this school will complete their education, so that they become part of mainstream educated class.
